Address of Facility: _____

Phone number: _____

Chain of Custody:

Kit sealed and released by: _____

Carrier Service Used: _____ Carrier Tracking #: _____ Date Sent to Genelex: _____

CLIENT STATEMENT OF CONSENT & RELEASE

(Payment and signature(s) must be received before results are released.) I hereby certify that the information provided is true and accurate and that I have legal authority to order this testing. I consent to the collection of specimens from myself and the listed child(ren) for the purpose of parentage testing. I grant Genelex Corporation permission to release the results to all adults and their duly designated representatives. Genelex reserves the right to re-collect samples for retesting and to store samples for future additional tests, if necessary. Genelex Corporation's limit of liability is not to exceed the cost of the testing. I understand that while parentage testing is highly accurate and widely accepted, as in all testing there is a possibility of delay and/or error. By signing this release, I understand that I/We will be held responsible for payment of testing fees, including any necessary cost of collection and reasonable attorney fees.

Signature of Mother

ABORTUS

SPECIMEN COLLECTION INSTRUCTIONS

The kit you receive will contain the appropriate materials and paperwork for sample collection. **Wear gloves** and follow appropriate biohazard collection procedures. Ship the same day if possible.

Abortus Collection	<ul style="list-style-type: none">• Place “Collection Sock” into the provided 50 ml sterile plastic tube. Tissue from an older abortus shall be selected by the physician and an approximately 2 cm² portion placed into the tube.• Print the mother’s name and the date of the collection on the label. Initial label and affix it to the tube.• Specimens will be disposed of one year from test completion unless Genelex is otherwise notified in writing.
Mother’s sample	<ul style="list-style-type: none">• If the mother is being tested at this time, a blood sample needs to be collected and the appropriate form completed (DNA Paternity Test Identification/Custody Sheet).
Storage	<ul style="list-style-type: none">• Please note the tissue storage conditions. If samples cannot be shipped the same day, refrigeration is acceptable. If the samples need to be stored for several days, please freeze the samples. If frozen, ship on dry ice.
Forms	<ul style="list-style-type: none">• Complete the forms, documenting all the required client identification information. Document the name and address of the collection center.• Sign the form where indicated to verify collecting the biological sample.
Chain of Custody	<ul style="list-style-type: none">• Complete the form, including the name of the carrier service and date sent to Genelex.• Package the samples into the tamper-proof kit. Place samples into kit, enclose paperwork, close tamper-proof seal. Seal kit into courier package provided and ship to Genelex Corporation by express courier.

Please fill out all forms completely and legibly, as these forms are legal documents. We appreciate your assistance. Please call 1-800-523-6487 if you have any questions. Thank you.
